

Environmental Policy

1 Purpose

DMTC Ltd (DMTC) will minimise the impact of its activities on the environment for the purposes of corporate citizenship, company philosophy and meeting legislative requirements.

2 Policy scope/coverage

DMTC activities impact upon the environment with the head office based functions and the research activity based at participant sites. This policy relates to all activities undertaken by the DMTC and all parties involved in DMTC activity.

3 Policy statement

- DMTC will minimise the environmental impact of the activities that it undertakes. DMTC will:
- comply with all relevant environmental legislation and regulations;
- eliminate avoidable business travel;
- monitor and assess our environmental risks and impacts;
- raise awareness of environmental issues;
- strive for continuous improvement through setting targets, monitoring performance and alignment with the DMTC's future corporate strategies; and
- use resources efficiently, reuse and recycle when opportunities exist and minimise the generation of waste.

Linked Policies, Procedures, Guidelines and Forms

- Continuous improvement policy
- Internal controls policy
- Policy approval policy
