

# UPCOMING WEBINAR

## PUTTING HEALTH SECURITY ON THE NATIONAL AGENDA

TUESDAY 18TH MAY  
1300 - 1500 (AEST)

[TO REGISTER, CLICK HERE](#)

Hear from senior leaders and policy developers in the federal Defence and Health domains, and the NHSRA team, on the importance of building a comprehensive picture of national capacity and capability.

How will our data be analysed and used?

How long is the survey window open?

What are emerging as priority areas for investment and collaboration?

How does health security impact on broader national resilience challenges?
